1. INTRODUCTION

Vidya Academy of Science & Technology Technical Campus (VAK), Kilimanoor is the second Engineering college of Vidya International Charitable Trust (VICT), a NRI venture functioning in the higher educational field of Kerala State since 2001. VICT is backed by more than 1200 trustees, all NRIs. VICT started its first Engineering College, Vidya Academy of Science & Technology (VAST) Thalakottukkara in Thrissur District in the year 2003. From a humble start with 240 students in four branches of Engineering, the college has grown to a centre of excellence with an intake of 480 students for B Tech, 60 for MCA and 60 for M Tech every year. Vidya has become a trend setter in professional education in the state by providing maximum opportunities to its students to avail scholarships through the 'Scholarship Program'. This scheme since inception has provided various scholarships to meritorious students. Also, Vidya offers several endowments and other financial assistance to help the needy students from financially and socially backward sections of the society.

After stabilizing the first college at Thrissur, armed with 10 years' experience of successful management of a professional college, VICT expanded its operations to southern Kerala by starting VIDYA ACADEMY OF SCIENCE & TECHNOLOGY TECHNICAL CAMPUS (VAK) at Malakkal, Kilimanoor Panchayat off MC Road from Thattathumala Thiruvananthapuram Dist. The college started functioning in 2013 and four batches have passed out, placing the institution in high position among other institutions in the State. VAST Thrissur and VAST TC Kilimanoor are institutions committed to provide quality education in the areas of emerging Science and Technology. It is conceived as a Centre of excellence in higher education with a perfect blend of theory and practical. Started in the modest way with a wider vision, we have made rapid strides in the field of Engineering Education by harnessing the youth potential to the maximum. This we have been able to achieve with a judicious blend of modern technology and ancient wisdom. While not compromising with the academic demands, we have been giving equal importance to personality development and extracurricular activities. Visits to Industries and companies, study tours, seminars, discourses, group discussion, student centered social service schemes, youth empowerment camps, celebration of cultural festivals, sports meet etc… are some of the special features of our educational system. Further, we are progressing every year as far as the results are concerned. We follow the same policies in Admission, Scholarships and staff recruitment to ensure the same quality of education in all our institutions.
